## Synova shortlisted for 2 *Private Equity Awards*

Synova Capital (“Synova”), an award winning growth investor into companies across the UK and Ireland, is delighted to have been shortlisted in two separate categories by *The Private Equity Awards* Judging Panel; ‘**UK House of the Year**’ and ‘**UK Small Deal of the Year**’, for the highly successful exit of portfolio company, Kinapse, which generated a 16x return.

**David Menton, a Managing Partner of Synova, commented:** *“We are honoured to have been shortlisted for these prestigious awards. Since the establishment of Synova almost a decade ago we have remained focused on partnering with first-class teams in the highest quality businesses.”*

*“We have delivered on a number of key milestones over the period, which include two strong exits, two new investments, 12 bolt-on acquisitions and strong year-on-year growth across our portfolio, and the successful raising of our heavily oversubscribed third fund. This could not have been achieved without the continued hard work of the Synova team, the strong partnerships we have built across our portfolio companies, and the continued support of our investors.” –ENDS-*
